

St. Bernadette Catholic Academy

Extended Day Program

Student Contract ~ 2010/2011 School Year

Please Print

Student Name(s): _____

We believe that children are unique individuals, created in God's image, who develop their talents and creative abilities in a continuing process. We strive to respect the children's uniqueness and help them recognize and accept their inherent gifts. We work to provide an atmosphere which encourage tolerance, and which discourages prejudice and disrespect. We nurture each child's feeling of self-worth and confidence.

Students come to St. Bernadette Catholic Academy to develop their individual capacities for these qualities to their fullest. The Extended Day program embraces these same goals and ideals. It is in that spirit that we expect all children attending the Extended Day program to observe a primary precept: Respect others. All children in the Extended Day program must:

1. Accept responsibility for their actions.
2. Express a basic attitude of consideration and thoughtfulness.
3. Employ proper manners, courtesy and respectful language with other students as well as adults.
4. Respect school rules and regulations.

Parents accept responsibility for their children and their behavior. Therefore, damage done to property will be the responsibility of the parent of the child doing the damage. All children attending the Extended Day program are subject to the school rules and consequences for breaking those rules. Violations of the rules, or infractions of the expectations listed above, may result in removal from the Extended Day program.

Parents and Students:

I clearly understand this contract and will accept the consequences for violation of school rules and regulations or any of the principles outlined above.

I have read the handbook for the Extended Day program of St. Bernadette Catholic Academy. I have discussed the pertinent sections with my child(ren). I agree to support the provisions/regulations contained in the document.
