Some things to include on your poster may be: title and author of the book, your review of the book, favorite passage in the book, pictures that show various scenes from the book. You are expected to be creative with your project. After viewing your project, we should get a feel for the book.

Lunch Money by Andrew Clements

Assignment: Lunch Money is about a twelve-year old boy, Greg, who has always been good at money making projects. He is surprised to find himself teaming up with his long time rival, Maura, to create a series of comic books to sell at school. After you read the book, create your own comic strip. Pretend Greg and Maura hired you to work for them. Think about things they may like in their comic strips. Your comic strip needs to have at least 8 boxes of the same size. It must be colored (crayons / colored pencils—no markers), decorated, and creative.
