Please indicate if 2 tuition payment booklets are needed and if so, how tuition should be divided: _____

TERMS

A tuition payment is considered paid ONLY WHEN IT IS RECEIVED AT THE SCHOOL OFFICE. If payment is not received in the school office by the 15th day of the month, a \$25.00 late fee will be added to the amount due.

If your check is returned marked NSF (Non-Sufficient Funds) you will be charged a \$25.00 penalty. If 2 checks are returned for non-sufficient funds, the rest of your payments must be made in cash, a money order, or a cashier's check.

All tuition for the current school year must be paid in full by June 1st of that year. No personal checks will be accepted after May 15. Payments must be made in cash, money order or a cashier's check.

8th Grade tuition must be paid by May 15.

All fees are non refundable. The administrator retains the right to make exceptions when appropriate.

I realize that late payment of fees, tuition or late charges will place an unfair burden on other parents. If monthly payments are not made on time, I understand:

- Accounts that are overdue 2 months may be subject to the student being withheld from school until payment is made.
- Student(s) will not receive diplomas, report cards, transcripts or participate in graduation ceremonies, and may not be eligible for enrollment the second semester and/or enrollment for the following year.
- Students will not be permitted to register or partake in any sports until all payments are received.

I understand that if at any time these commitments cannot be fulfilled, I must contact the Principal or Pastor to make arrangements.
