

Q & A: Are the school uniforms changing?

Yes! Next year will be our “transition” year, which means that the old uniform can be worn as well as the new one.

We are still working out the details of the new uniform but basically it is burgundy, black and khaki plaid. The gym uniforms will be burgundy pants with khaki shirts. The uniform will be displayed outside the School office within the next few weeks and we will be sending home pictures and more specific details very soon. The uniforms will still be available at Martinelli’s and Schoolbelles. Manna and a similar program can be used to purchase items with a 4% rebate towards tuition.

Our current school uniform has been worn for the past 22 years. The red, green and black plaid did not “match” our school sports colors of blue and gold. In fact, in most schools the school uniform colors are not the same as their sports colors. In short, we were due for a change. It will not affect the new blue and gold gym floor, the blue and gold Warriors insignia on the Quonset Hut or the colors of our sports teams.

We will send the “specifics” home within the next few weeks- please make sure you read and check out your weekly newsnotes and our school website *www.sbschool.us*.
