

Manna Invites You To Start Earning Tuition Credit

September 9, 2009

Attached is a Manna order form. Use it to start ordering your Manna in order to start earning your personal tuition credit. Remember Manna is a free service that helps reduce your personal tuition costs. Also attached is a list of additional stores along with denominations (double sided). These two along with the Enrollment form and Cash & Carry form are located on the school's website under the Tuition tab and can be printed at any time. You can print out the order form and turn it into school on Monday mornings by 9:00 a.m. in order to receive your order at the following Cash & Carry sale on Wednesday or through your child's backpack on Thursday. Manna is also available on Sundays from 9:45-10:45 am in the Manna office.

Stores, denominations and percentages always change. If there is a store you are interested in that you can't find on the list, please contact Mrs. Gina O'Connell at (708) 346-9841 to inquire if a store participates.

Welcome Back!
